--submit to Turnitin

Sep 18-12:57 PM

Africans argued that the costs of imperialism out-weighed the benefits European imperialists insisted accompanied colonization. In the 1880s young Prince Modupe described his reaction to the first white missionaries he met in Doc A, his autobiography "Arrival of the Europeans." He felt . . .

(Doc B)

(Doc C)

From the African point of view, imperialism was devastating for indigenous populations.
