

Directions:

1. Create a symbol for each of the 8 cultural influences and place it in or near the name to the right.
2. One at a time, get a placard from the teacher and analyze it according to these world cultural influences. Fill in the matrix below completely for each placard.

| Placard | Describe what You See | Write the Symbol | Explain why you chose this symbol |
|---------|-----------------------|------------------|-----------------------------------|
|         |                       |                  |                                   |
|         |                       |                  |                                   |
|         |                       |                  |                                   |
|         |                       |                  |                                   |
|         |                       |                  |                                   |
