

August6,2018

QQ: "Onehalfoftheworldknowethnohowtheotherhalfliveth."

- 1) Re-state the above quote in a way that a fifth grader would understand it.
- 2) On a scale of 1 to 10 with one being very little awareness, and ten being extensive awareness, rank your awareness of the world and explain.

Ex. A greater number of people know more about the world than in any other point in history. Satellite technology generates enormous amounts of data that is shared instantly ...
